2022 BRINGS A RECORD BREAKING SPACATTI DINNER!

After two years of not being able to hold our annual Spacatti Dinner, demand was so pent up that we actually SOLD OUT for the first time in history! With a record breaking amount of items in our Silent Auction, all winners went home with something very special. DJ Len provided an excellent mix of music to create a fun and joyous atmosphere! As this is our largest fundraising event of the year, we would like to offer a special thanks to all who donated, bid and put in blood, sweat and tears making this a night to remember!!! Photography donated by Joe Ciciless Photography!

The Story of Leena

One day earlier this year, we received a call from Animal Care and Control that they had picked up a cat that was microchipped to us through a TNR program years back that was severely injured. We immediately headed out to pick her up and took her straight to the emergency clinic. It appeared she had been struck by a car and needed her right hind leg amputated to prevent further infection and injury. Thanks to a quick Facebook fundraiser and your generosity, we were able to raise the needed funds for her surgery. She returned to the shelter, where she was placed into a playpen to facilitate her healing and to help her get her strength back. Within weeks, she was walking around and to our amazement, even jumping onto chairs, desks and bookshelves. She even became our official "receptionist!"

Just last month, she and another special needs kitty won the hearts of repeat adopters and went off together to their furrever home!

Volunteers Needed

It takes a village to care for these cats! We always need shelter volunteers, but there are also many other areas in which you can help:

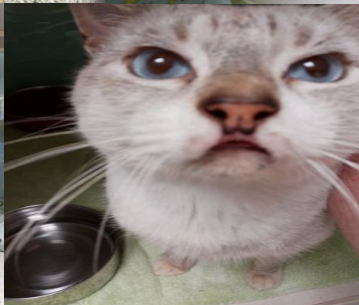

Thrift Store - Our Thrift Store is a treasure trove of unique items and help is needed for stocking, cashiering and on-line sales. After completing your introductory period, you qualify for even greater savings on our already discounted items! Please contact Debbie at 561-351-1504 for more information.

Fosters - Many times, we get in kittens and kitties that need just a little more care and love to get them ready for their forever homes. All items needed for their care are provided at no cost to you. Please contact Vicki at 561-294-0089 for more information.

Adoptions - We also need people to help with our "Adoption Zone" at Pet Supplies Plus. Please text Stacey at 561-846-1327 for info.

The Story of Denali

We received a plea from Clewiston Animal Services to help this beautiful guy out! He had the absolute WORST case of a rodent ulcer on his mouth that we had ever seen! Through the help of our vet, Dr Richard Jaffe, you can see the dramatic improvement his prescribed course of treatment has made. Denali will soon be available for adoption and with his absolute loving personality, will be off to his furrever home very soon!!!
